## INDEPENDENT AUDITORS' REPORT

Board of Directors  
Los Cabos Children's Foundation  
Eagan, Minnesota

### *Opinion*

We have audited the accompanying financial statements of Los Cabos Children's Foundation (LCCF), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Los Cabos Children's Foundation as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Los Cabos Children's Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Los Cabos Children's Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Board of Directors  
Los Cabos Children's Foundation  
Eagan, Minnesota

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Los Cabos Children's Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Los Cabos Children's Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## Notes to Financial Statements

June 30, 2023 and 2022

### 1. NATURE OF ORGANIZATION:

Los Cabos Children's Foundation (LCCF) is a nonprofit organization established to assist children by providing medical, educational, and humanitarian assistance in the Los Cabos area and in the United States.

LCCF is organized as a South Dakota nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3). LCCF is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, LCCF is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. LCCF has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

LCCF believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. LCCF would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

### 2. SIGNIFICANT ACCOUNTING POLICIES:

The financial statements have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the statements to the reader. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities; disclosure of contingent assets and liabilities at the date of the financial statements; and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### CASH, CASH EQUIVALENTS, AND RESTRICTED CASH

LCCF considers all highly liquid investments with a maturity of three months or less, and which are neither held as the fiscal agent nor restricted by donors for long-term purposes, to be cash and cash equivalents. As of June 30, 2023 and 2022, approximately \$979,000 and \$337,200, respectively, was not covered by FDIC insurance.

#### INVESTMENTS

Investments in money market funds are reported at fair value in accordance with the provisions of the *Fair Value Measurements and Disclosures* topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Realized and unrealized gains and losses are recognized as changes in net assets in the periods in which they occur, and investment income is recognized as revenue in the period earned. Investment return is reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. Realized gains and losses are determined on the specific identification method. Investment income is reported net of external and direct internal investment expenses.

# LOS CABOS CHILDREN'S FOUNDATION

## Notes to Financial Statements

June 30, 2023 and 2022

### 2. SIGNIFICANT ACCOUNTING POLICIES, continued:

#### PROMISES TO GIVE, NET

LCCF records unconditional promises to give that are expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statements of activities. Management determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectable. At June 30, 2023, there was a \$0 balance in promises to give, net. At June 30, 2022, the allowance and the discount was \$0 as all promises to give were due and expected to be collected within one year of the statements of financial position date. At June 30, 2022, one donor accounted for 100% of the total promises to give.

#### PROPERTY AND EQUIPMENT, NET

Purchases of property and equipment are capitalized at cost. Donated assets are capitalized at their fair market value on the date of the gift. Donations of property and equipment without donor-imposed restrictions are recorded as net assets without donor restrictions in the year of the gift. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, generally ranging from three to five years. Asset purchases under \$500 and expenditures for maintenance and repairs are charged to expense as incurred. Depreciation expense for the years ending June 30, 2023 and 2022, was \$1,904 and \$939, respectively.

#### GRANT PAYABLE

LCCF makes grants to certain charitable organizations within Los Cabos and the surrounding area that complement their mission to assist children by providing medical, educational, and humanitarian assistance in the Los Cabos area. LCCF recognizes grants as expenses at the time recipients are entitled to receive them. Generally, this occurs when the board of directors approves a specific grant, or when management, pursuant to grant-authorization policies established by the board of directors, approves a grant. Unconditional grants approved but not yet disbursed are reported as grants payable in the statements of financial position. Conditional grants approved but contingent upon fulfillment of certain specified conditions by the grantee are not recorded until the conditions have been met.

## Notes to Financial Statements

June 30, 2023 and 2022

### 2. SIGNIFICANT ACCOUNTING POLICIES, continued:

#### NET ASSETS

The financial statements report amounts by classification of net assets:

- *Net assets without donor restrictions* include net assets that are currently available for operational purposes under the direction of the board.
- *Net assets with donor restrictions* are those funds with donor stipulations for specific operating purposes or programs, including those not currently available for use until commitments regarding their use have been fulfilled or maintained in perpetuity by LCCF.

#### CONTRIBUTIONS

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been met.

LCCF reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends, or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

#### CONTRIBUTED NONFINANCIAL ASSETS

Volunteers contribute significant amounts of time to LCCF's program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. LCCF records donated professional services at the respective fair values of the services received (see Note 8).

#### CONCENTRATION OF SUPPORT RISK

LCCF is supported by contributions from the public. It is always considered reasonably possible that contributors might be lost in the near term. In the year ended June 30, 2023, LCCF received approximately 23% of its contributions from one donor. In the year ended June 30, 2022, no individual contributors contributed more than 10% of total contributions.

## Notes to Financial Statements

June 30, 2023 and 2022

### 2. SIGNIFICANT ACCOUNTING POLICIES, continued:

#### EXPENSES, ADVERTISING AND JOINT COSTS

Expenses are recorded when incurred and reported on the functional basis on the statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. All expenses are coded directly to each function, except for payroll expenses that are allocated based upon management's estimate of time and effort. For the years ended June 30, 2023 and 2022, LCCF incurred \$13,805 and \$2,351, respectively, in advertising costs. LCCF incurred no joint costs for the years ended June 30, 2023 and 2022.

#### RECENTLY ADOPTED ACCOUNTING STANDARDS

In 2016, the FASB issued ASU No. 2016-02, *Leases* (Topic 842 of the FASB ASC). LCCF adopted the provisions of this new standard during the year ended June 30, 2023. The new standard requires organizations that lease assets with terms of more than 12 months to recognize on the statements of financial position the assets and liabilities for the right of use and obligations created by the leases. Lessor accounting remained largely unchanged under the new standard. LFFC has adopted this standard on the adoption date approach. LFFC elected the transition package relief provisions from ASU 2018-11, *Targeted Improvements* (Topic 842), for leases commenced before the effective date of the standard, which allows LFFC the option to not reassess existing or expiring contracts, lease classification or initial direct costs. Adoption of these standards had an immaterial impact on the financial statements and therefore, required disclosures were omitted.

Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 3,161,689</u>	<u>\$ 1,616,659</u>

LCCF strives to maintain liquid financial assets enough to cover twelve months of general expenditures. Financial assets in excess of monthly cash requirements are invested in money markets, treasury bonds, or other short-term investments.

### 4. INVESTMENTS:

#### DISCLOSURES ABOUT FAIR VALUE OF ASSETS AND LIABILITIES

LCCF uses appropriate valuation techniques to determine fair value based on inputs available. When available, LCCF measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available. The fair value hierarchy consists of the following:

*Level 1* – Quoted prices in active markets for identical assets or liabilities.

*Level 2* – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

*Level 3* – Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such instruments pursuant to the valuation hierarchy.

The fair value money market funds are based on the closing price reported on the active market in which the individual securities are traded. The fair value of annuities are based on quoted prices for similar assets or quoted prices in markets that are not active.

Investments consist of the following:

	June 30,	
	2023	2022
Held at fair value (level 1):		
Money market funds	\$ 2,767,605	\$ 815,393

June 30, 2023 and 2022

### 7. ENDOWMENT FUNDS:

LCCF's endowment funds consist of a donor restricted endowment fund. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of LCCF has interpreted the State Uniform Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, unless there are explicit donor stipulations to the contrary. At June 30, 2023 and 2022, there were no such donor stipulations. As a result of this interpretation, LCCF retains in perpetuity (a) the original value of the initial and subsequent gifts donated to the Endowment and (b) any accumulations to the Endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure in a manner consistent with the standard of prudence prescribed by SPMIFA. The following factors are considered in making a determination to appropriate or accumulate donor-restricted endowment funds:

1. The duration and preservation of the fund
2. The purposes of the organization and the donor-restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of the organization
7. The investment policies of the organization
